DRY-AGED

ドライエイジング

DRY-AGED

ドライエイジング

Our carefully selected, pristine cuts of the finest meat are meticulously dry-aged, allowing time to work its magic. During this delicate process, moisture is gently drawn out, intensifying the meat's natural and rich umami notes, a buttery texture that melts in your mouth, and a depth of flavor, while achieving a sublime tenderness that is simply unparalleled.

Please ask our staff for Dry-aged menu availability.
