細麺

HOSO-MEN

Thin Noodle 1.5mm

黒がしんにんにく

Kogashi Ninniku, our signature deep-fried black garlic, is what sets Kumamoto-style ramen apart. Fragrant, smoky, and just slightly bitter, it delivers a bold punch of flavor that lingers with every bite. It's the kind of taste the Japanese describe as unforgettable—something you find yourself craving again and again.

Our broth is crafted with patience and respect for tradition—slow-simmered in **hagama pots** that retain heat and concentrate flavor.

We use both **creamy pork bones** and **ayam merah** (a richly flavored red-feathered chicken) to create a deep, full-bodied base. Every bowl is a result of time, care, and an unwavering dedication to process.

IT'S NOT JUST BROTH—IT'S A QUIET WORK OF ART
